

### Marcus Today SMA | Fact Sheet

<p><b>Who is Marcus Today?</b></p>	<p>Founded in 1998 by stockbroker Marcus Padley, Marcus Today has grown from a daily note to clients into a leading independent stock market newsletter, with in-depth company research and recommendations, financial market analysis and commentary, trading and technical ideas and model portfolios. The Marcus Today culture of “telling it as it is” has translated into model portfolios which have outperformed the “average” index return due to our superior stock picking and an unbiased and high-conviction approach to portfolio management.</p> <p>Marcus Today is part of the MTIS Private Wealth, one of Australia’s leading privately owned financial advisory groups, dedicated to empowering clients and their families to build intergenerational wealth through Self-Managed Super Funds (SMSF) and Family Office advice, comprehensive strategic advice and technical excellence.</p>
<p><b>What is a Marcus Today SMA?</b></p>	<p>Marcus Today is a style-neutral investment manager with a non-benchmark aware philosophy. The investment strategy involves a combination of approaches to identify attractive companies and their suitability for portfolio inclusion, including:</p> <ul style="list-style-type: none"> <li>• <i>fundamental stock analysis</i>, with particular focus on return on equity, future earnings growth and relative valuations (PE relative to historical and peer group).</li> <li>• <i>consideration of a “quality” rating</i> through features such as management quality and track record, corporate governance, balance sheet management, company direction and market sentiment.</li> <li>• <i>macroeconomic and thematic influences</i>, including the global growth environment, industry structure and position in the investment cycle and investment “themes”. (E.g. the search for yield).</li> <li>• <i>technical analysis</i> – Marcus Today uses a technical overlay to assist in timing the entry into a stock which has already met fundamental, quality and thematic filters. Marcus Today also use technical features to monitor the position and help time any exit.</li> </ul> <p>There are two Marcus Today SMA Model Portfolios, both employing the above investment screening process, however each with their unique investment objectives.</p>
<p><b>Who makes the investment decisions?</b></p>	<p>The Marcus Today team, headed by Marcus Padley, constantly monitors the model portfolio and makes changes as they are required. The investment strategy involves a combination of approaches to identify attractive companies and their suitability for portfolio inclusion as outlined above.</p>
<p><b>Why invest in the Marcus Today SMA?</b></p>	<p>The main benefits of investing into the Marcus Today SMA are:</p> <ul style="list-style-type: none"> <li>• Access to Marcus Today stock picking skills and portfolio construction expertise</li> <li>• Beneficial ownership of shares held</li> <li>• Cost-effective investing with trade netting policy</li> <li>• Transparency of stocks held within the portfolio</li> <li>• Automatic rebalancing</li> <li>• Tax effectiveness – compared to managed funds, investors do not inherit other investors capital gains</li> <li>• Customisation - personal circumstances and objectives can be accommodated with stock substitution</li> <li>• Consolidated reporting</li> <li>• Portability of stocks – ability to move securities into or out of accounts at any time</li> </ul>
<p><b>What are the investment options?</b></p>	<p>There are two Model portfolios:</p> <ul style="list-style-type: none"> <li>• Marcus Today SMA (MT001)</li> </ul>
